KINGS CORAL REPORT

The word carol - a joyful song - suggests, carols bring us together and connect us in groups of shared experience and feelings.

A Christmas carol is a song whose lyrics are on the theme of Christmas, and which is traditionally sung on Christmas itself or during the surrounding holiday season. Carols were first sung in Europe thousands of years ago, but these were not Christmas Carols.

They were pagan songs, sung at the Winter Solstice celebrations as people danced round stone circles. One of the reasons Christmas carols bring such a sense of consolation and connection is surely their familiarity.

The word Carol actually means dance or a song of praise and joy! Carols used to be written and sung during all four seasons, but only the tradition of singing them at Christmas has really survived.

To recognize and celebrate the spirit of Christmas Celebration Carol singing Competition was conducted on 6th of July 2019 for students from all the departments.

The competition engaged students in singing carols that set the mood and built anticipation among all. The word carol actually means dance or a song of praise and joy. Students of all houses sang a variety of carols enthusiastically and melodiously, spreading the message of faith, happiness and peace.

Ooravasi Selvaraj memorial singing competition Report

The Oorvasi Selvaraj Memorial singing competition was held at Kings Engineering College on 21th July, 2019. Students from all the department participated in the same and put forth their enthralling performances to adjudge. The theme of the songs was devotional and patriotic. The competitors presented a variety of songs and made the whole atmosphere melodious. All the young maestros sang to their level best and made the competition a great success. The winners were all appreciated by the judges and were awarded with certificates in order to embolden them. The synchronization of the melodious voices and the instruments was heart-warming. All the performances were greeted with a loud round of applause. Each one of them sang with the same zeal, evoking the feeling of patriotism. Everyone was nervous and was anxiously waiting for the verdict. Soon, the moment we all were waiting for arrived. The judges announced the result and shared that it was a tough competition. ECE department at the 4th position; CSE department grabbed the 3rd with IT department at 2nd and Mechanical department stood 1st. The program concluded with the National Anthem.

KEC WAR OF DANCE CHAMPIONSHIP

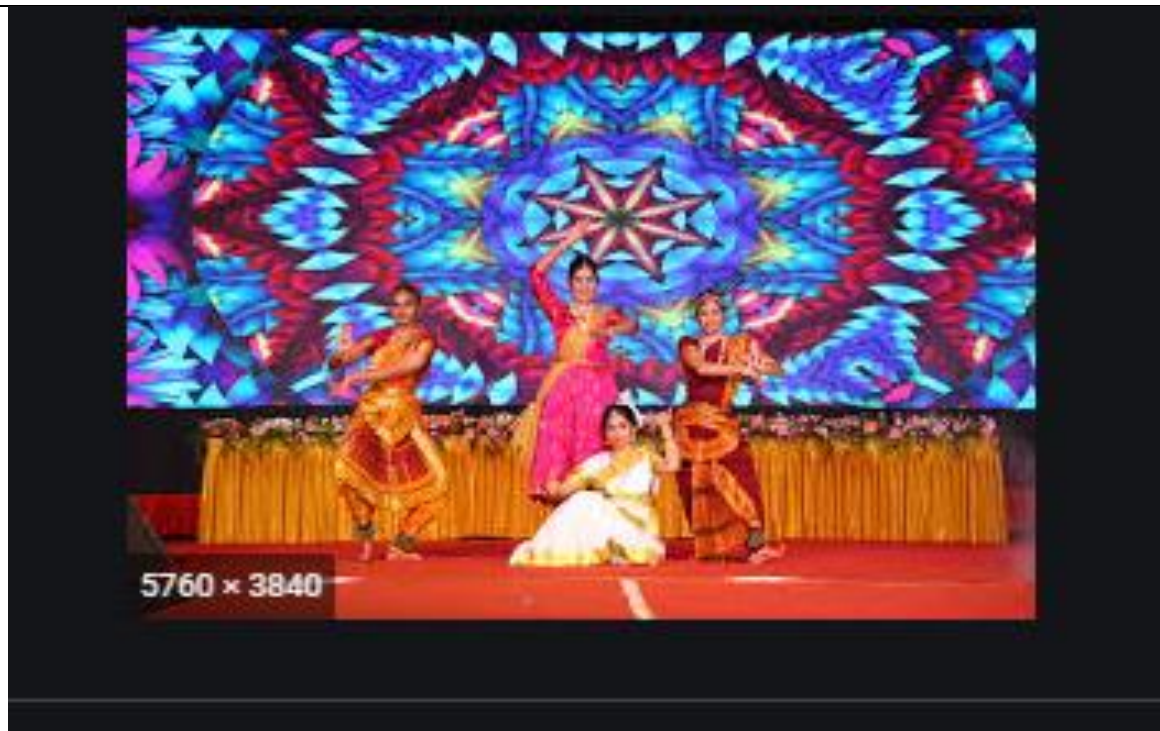

When we try to translate the vitality of our life energy into fluid moves, we dance. Every dance performance is unique as every dancer is a unique throbbing with life. The “KEC War of Dance Championship” Solo Dance Competition was held on 3rd August, 2019 for the students from all the departments. The purpose behind the competition was to give students a platform to showcase their talent and to pay tribute to our rich culture and tradition. There were more than 50 participants. The time allotted was 7 minutes. All the participants showcased their talents. Students participated in the competition with enthusiasm and zeal. The dance competition was judged by Ms. Anitha Vijayalakshmi, Associate Professor, ECE and Dr. Prameswari, Associate Professor, IT. The participants were judged on the basis of rhythm, coordination, expression and purity of form. In the dance competition, ECE department bagged the first position, followed by CSE and IT at the second and third place respectively. Principal of the college, Dr. A. V. Mayakannan appreciated the students for their enthralling performances. The judges also spoke encouraging words to the students.

Academic Year (2019-2020) **FIND ARISE REPORT**

The Kings Engineering College conducted a student development program titled “Find Arise” on 2nd February (Saturday), 2020 in CSE Seminar Hall from 2 pm-3pm.

guest speaker was heartily welcomed by Belsy, a student of Electronics and Communication Engineering Department. The speaker of this program was Mr. Nithyaarasu , an KEC alumni.

The presenter who himself is a source of motivation to students gave encouraging examples from her own life and inspired students to be a self-motivator. He discussed the importance of positive thinking and attitude which brings optimism into life and such constructive changes can make one brighter and more successful.

The session was very interactive and students participated enthusiastically. This program helped students to be guided by a positive mind and driven by self-motivation. The vote of thanks was given by a student of CSE Department Dr.T.John Oral Bhaskar, Principal/KEC, presented a small token of appreciation to our valuable guests.

As per the feedback received from the participants it was very good learning experience.

A total of 159 students and 11 faculty attended this program.
