EUREKA-2021

BY

“BUILD FROM SCRAPS”

OBJECTIVE:

For the students to build their logical and creative thinking

MINI REPORT:

The Event conducted by the i-HUB Build from Scraps was a Quiz event, which boosted up the minds of the participants. The participants were from various colleges and some of the staffs too participated in the quiz

The Questions of the quiz were really logical answering questions. Specifically the round was really interesting and humorous too. The Timer that ran over the screen, literally screwed up the minds of the participant.

Finally the participants went to the verge of eagerness about the next questions that we going to be ask.

The participants immensely attached to the quiz.so, no one left the meet until the round 1 quiz and round 2 quiz finished. all the participants enrolled in the quiz attended the meet and hope everyone had some good stuff and time too.
